BIOGRAPHY

Brandon Alex is one of New Jersey's leading DJs/Producers. Surrounded by the enriched club culture that the Tri-State has to offer, he was able to get his start at turntablism the age of eighteen. Although it is hard to put a finger on Brandon's dynamic sound, he claims his inspiration comes from everything he has encountered in his life, from him growing up listening to the music, his parents influenced him, to the DJ's, Producers and artists from his home state of New Jersey.

Brandon's obsession with creativity and constant improvement has previously earned him a number of high-profile performances at notable venues such as Pacha NYC, Avenue Beach Club, 4Sixty6, Mister East, Victory Nightclub and Deko Lounge. Recent highlights in his career include performances at Jersey Shore's hottest nightclub The Headliner, Dusk Complex in Atlantic City and S.F. Day Club located in Nassau, Bahamas. With over 14,000 plays on SoundCloud, Brandon Alex continues to work diligently to keep his reputation of being one of the most acclaimed DJs in the Tri-State area.
